

Thank you for your request to use material(s) previously published by the PIAA.

Reuse of PIAA materials from publications: Permission must be sought for the reuse of graphs, illustrations, presentation materials (e.g., PowerPoint slides), and any direct quotations from PIAA publications longer than 250 words.

Permission requests must include specific source details [author name(s), title of publication, year of publication, specific items within the publication to be reproduced (e.g., graphic, table) or URL on which the material appears], where the material is to be reproduced and by whom, as well as the name and contact information of the individual requesting permission.

The form for requesting permission for reuse is attached. Upon acceptance of this form by the PIAA, the Association permits one-time use of the items requested, under the following conditions:

- You may not alter their content in any way
- You may not pass the materials on to any other user, unless that individual obtains prior permission from the PIAA
- You must include the following credit line, acknowledging the PIAA as the source of material(s) to be used:

“Reprinted with permission by the PIAA. Copyright, 2013.”

Citation of PIAA as information source: Please provide a citation in the reference list of your publication, including this content, irrespective of the specific format for references in your publication:

[Author name(s)], [title of publication], [year of publication], PIAA, 2013.

Send your completed request form to: P.Divya Parikh, dparikh@piao.us. Or fax, 301-947-9090.
